

Memorandum

Date: August 19, 2015

To: All State Park Peace Officers

From: Park Operations Division
Off-Highway Motor Vehicle Recreation Division
Department of Parks and Recreation

Subject: California State Park Ranger 150th Anniversary Badge

2016 will mark the 150th Anniversary of the appointment of Galen Clark as "Guardian" of Yosemite State Park on May 21, 1866. With this appointment, Clark becoming California's first state park ranger and the first paid state park employee.

Recognition of this historic event will offer an opportunity to highlight and honor the heritage and contribution of state park rangers and staff over the last 150 years. This milestone is being titled *Ranger150* to differentiate it from the recent 150th anniversary of the department in 2014.

As a part of the effort to publicize the Ranger150 and to highlight the department's public safety role, a special State Park Peace Officer anniversary badge (based on the first state park badge) has been authorized for wear in place of the standard Department badge until December 31, 2016.

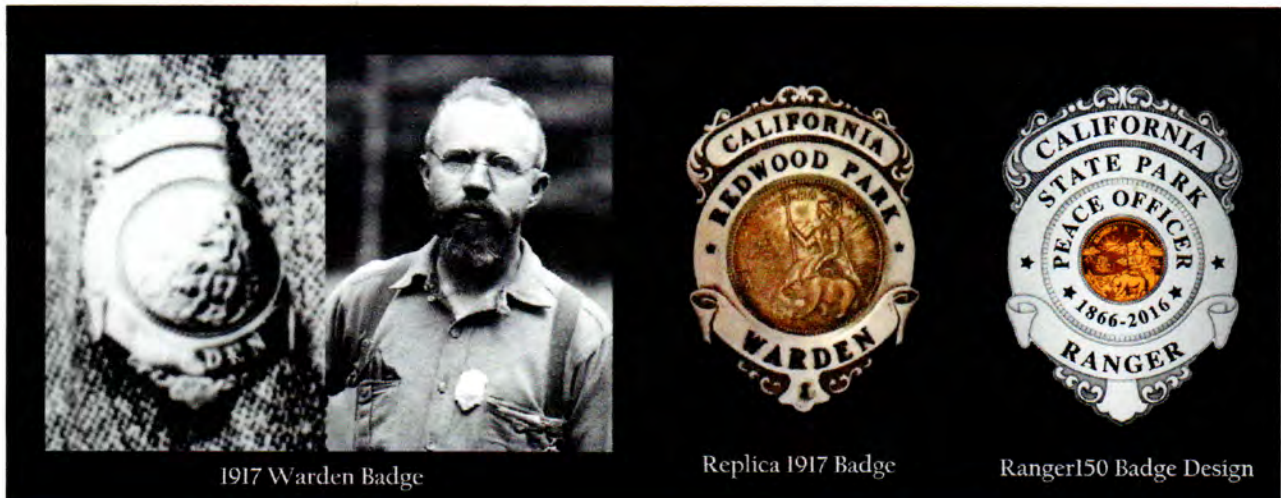

The purchase of the Ranger150 anniversary badge is optional and at the individual employees expense. An anniversary badge order form is attached.
